### WELCOME NOTE FOR PARENTS OF CLASS-XI

Dear Parents,

Greetings for the day!

Keeping in view the ongoing scenario of uncertainty, it has become absolutely essential that we prepare ourselves for what is constant and certain. Having completed the entire examination (AISSE 2019-20), we are sure that all our students of Class X, session 2019-20 will be looking forward to the beginning of new session.

We are witnessing the curtains being drawn on the previous academic session 2019-20 and the same being enthusiastically *though remotely raised* for the new one for the year 2020-21, *despite the grim situation due to Covid-19*. We shall be providing **PROVISIONAL ADMISSION** to our students which shall be **subject to revision once the Board results are declared**. The **Provisional Admission List** shall be available on school website/ skoolroom/ official what's app groups. Delhi Public School, Bhopal always believed in working in partnership towards attaining a common goal which is the growth and development of our students. The current session has *entrusted us with the crucial responsibility of preparing our students who are under lockdown due to the ongoing pandemic*. To ensure that our students have a memorable, enjoyable, fruitful and successful learning experience *even though they are unable to be physically meet their classmates and teachers*, we shall be conducting **online interactive sessions**, the details of which will be communicated to you from time to time. Your cooperation will be solicited for the same. We as teachers and you as parents work collaboratively in the direction of providing maximum learning opportunities to our students and make sincere efforts that our children come out with flying colour in this significant year and excel in their life.

*Looking forward to a safe and fruitful academic session 2020-21.*
