Laying the foundation of excellence

PRINCIPAL'S MESSAGE

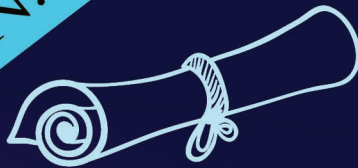

"If children cannot learn
the way we teach, why not
teach them the way they
learn."

Dear Parents

Keeping pace with time and the fast moving digital world, we're introducing the monthly issue of e-Gallop that will highlight the activities and achievements of the Dipsites. Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be productive members of an ever-changing global society. In DPS Bhopal, inspite of all the impediments that the world is facing, we provide an atmosphere to our students for multifaceted development, where children are encouraged to channelize their potential in the pursuit of excellence. We believe that every learner is unique and special and that they all have the ability to learn. We believe it is our responsibility as educators to nurture and develop every learner to prepare them for life. However, even as we impart education to match the advancement in technology and globalization, we march our children ahead with ethos of moral values and principles. We endeavour constantly to instill these qualities in our children. Let's revel in the pride of the Dipsites as we scroll through the pages of e-Gallop that showcase the mirth and achievements of the dazzling Dipsites.

"Educating the mind without
educating the heart is no
education at all."- Aristotle

TOAST, PORTE A L'EMANCIPATION DES FEMMES

The men play games as
they lay claims,
You're the slave of the
bolder and freer, yes
it's us,
O' people possessed by
these thoughts of carte
blanche,
Liberty is indivisible,
then why does it
serve only half the
umanity?
This history is
fraught, it's naught but
meritless,
The rules are different
for every man jack,
This freedom is
futile & harmony is
endangered,
It's due season, come

break this norm
senseless.

Holy feminine, you're
a captive of thoughts
that aren't yours,
Recollect those noblest
deeds God hath given
you,
Wipe your tears, fortify
your mind,
Emancipation, if you
seek, you shall find.

O' women, let your
visions go past infinity,
Strive for deliverance
from these fringes
called laws,
Let flames of salvation
ignite the souls,
Awaken the glory and
defy the confines of
prejudice!
