# ACADEMIC ATTENTION

## TUTORIALS

Exclusive tutorials are arranged for the boarders during evening which are instrumental in enabling them to attain their academic goal. These additional classes are conducted by subject teachers on regular basis according to a prescribed schedule. These tutorials become more rigorous during examination times.

## EDUCATIONAL & RECREATIONAL VISITS

In an academic session the students of the hostel are taken on educational visits at least 4 times which aims at providing exposure and experiential learning. Various colleges of JLU like Hospitality, Media and Mass Communication etc are the ones which are frequented by the boarders. Apart from these they are also taken to movies, Malls, picnics and other recreational places.

# SURGING THROUGH STRIFE

## INTER HOUSE COMPETITIONS

Instilling a healthy competitive spirit among the boarders is another foremost responsibility of the teachers. Keeping in view the same the boarders have been grouped into three clubs-

- Ninjas
- Avengers
- Warriors

The three clubs depict courage, confidence, competitiveness, fairness, strength, stamina and the urge to win.

A series of competitions are organised on a weekly basis by the teachers of all the departments with an objective of giving each boarder a chance to appear on the stage, test his knowledge, showcase his skill and talent and develop healthy competitive spirit.

## PARTICIPATION IN COMPETITIONS

The Hostellers are given equal opportunity to participate in Inter School and other State and National Competitions according to their potential.

## BASKETBALL

The School provides two cemented basketball courts and the students are trained by an experienced coach who has been a national player of basketball.

## LAWN TENNIS COURTS

The students have the advantage of a Lawn Tennis court where they are trained by a professional coach.

## SWIMMING

The School has a beautiful swimming pool measuring half of the standard Olympic size pool and a dedicated team of coaches and life guards. The School has the tradition of producing the best result in the field of swimming and has to its credit several swimmers gaining accolades at National and International level.

## ROLLER SKATING

The School possesses a sprawling skating rink and an expert coach who takes extra pains to train the students to perfection. Our skaters do exceptionally well in the State, National and International Skating Competitions.

## CRICKET ACADEMY

The School nurtures a high level of cricketing talent through its Cricket Academy with many students getting selected in U-14, U-15 and U-17 M.P.C.A. and in Cricket Teams, playing professional cricket. The students are exposed to the best coaches and training facilities to excel at the highest level.

## HORSE RIDING

DPS Bhopal is one of the few schools in Madhya Pradesh which provides Horse Riding facility to its students. Qualified trainers, well bred horses and maintained tracks for practice are made available to the young riders, tapping their talent in the childhood.

# THE ESSENTIAL AMENITIES

## PERSONALITY DEVELOPMENT

Personality Development is one of the many specialities at DPS Bhopal. This is much specialised activity particularly relevant for the adolescent boys. Children acquire a high threshold of sensitivity in this period of growth. A growing boy needs finesse & polish to grow into a complete person, not only as an attractive man but also equipped to face the world at large with confident mannerism. These classes are aimed at grooming young boys with manners and etiquettes. Stress is also laid on value based development of their personalities. Special funship classes are conducted every Saturday.

## CAREER COUNSELLING

Focusing on the challenges of growing up and numerous other problems associated with it, exclusive counselling sessions are conducted frequently by expert School Counselor. This platform also enables the students to share their problems and seek professional solutions to them. Career guidance workshops and Stress Management sessions are conducted from time to time for the young boarders.

## PERFORMING ARTS

Exclusive music lessons are conducted by professional instructors once a week for the boarders. The students can choose from a wide variety of musical instruments like guitar, synthesizer, drums, vocals etc and are trained for the same. The art and craft activities help to bring out their creativity and provide wings to their imagination. Activity teachers visit the hostel on a weekly basis to conduct these activities.

## LIBRARY

An easy access to a well stocked library encompassing a wide variety of books and periodicals is an added advantage for the boarders. The quest for information is satiated through an excellent range of Indian and foreign books, journals and internet facility. Equipped with refreshers, question banks, books for preparation of competitive exams, the school library aids in gearing up of the students for any examination and promote love for reading.

# OUR STRENGTH

## EFFICIENT SECURITY SYSTEM

An efficient and strict round the clock Security System, in and around the campus, is available. Safety of the students residing at the hostel is our utmost priority. There is strict monitoring of all the visitors at the time of entry and exit in the school. The entries are further cross-checked and verified by the warden in case the visitor enters the hostel. The hostel premises along with the main gate of the school are under strict CCTV surveillance. Warden and few of the staff members stay within the hostel premises to ensure the security of the boarders.

## MEDICAL ATTENTION

'The greatest wealth is health.' In sync with this mantra, the school provides a trained doctor and nursing staff, catering to the general health needs of the students. However in order to address major health care requirement the school is in association with the eminent hospitals of the city. A medical staff is available for the boarders from evening till morning. Students are administered basic health check-ups on routine basis and the same is documented in the form of medical cards issued to them.

## CELEBRATIONS

The aim of instilling among the boarders, love for the culture and also significance of festivals, special celebrations are arranged enforcing a better understanding of the rich Indian tradition and also building solidarity and mutual respect. This also enables in creating a homely atmosphere for the boarders and developing a second home for them.

## MUNCHIES - MESS

Capacious, vibrant and well-equipped dining hall MUNCHIES welcome the boarders. The appetizing food is prepared by efficient and reliable five-star Chefs and the meals are planned in consultation with a dietician ensuring a balanced diet. Students are served five meals a day including both vegetarian and non-vegetarian meals. Special endeavours are made to inculcate table etiquettes among the students.

## STUDENT COUNCIL

To ingrain among the boarders, the deep sense of responsibility and belongingness to the institution, Hostel Prefects are appointed as a part of Student Council. These Prefects help the hostel administration in looking after the welfare of the students. This proves to be a small step towards chiseling their leadership skills.

## MENTORS

A teacher mentor is appointed for a small group of 4-5 students where the mentor takes care of the academic needs, health, attitude and behavioral aspect of the boarder and remains in constant touch with his parents. The important role of a mentor becomes undeniable as he/she also becomes an emotional anchor to the mentee
