Laying the Foundation of Excellence

MILESTONE MOMENTS: PRINCIPAL'S COMMUNIQUE

“In the grand symphony of education, each academic accomplishment is a note that adds to the harmonious melody of knowledge.”

I am delighted to present to you the report for the scholastic year 2023-24, encapsulating a period of unparalleled academic achievement and growth that fills us with an immense sense of pride and accomplishment. This year has been truly exceptional, not only in terms of academic accomplishments but also in various other domains where our students have displayed outstanding performance, setting new standards of excellence, and garnering well-deserved accolades for our esteemed institution. **DPS Bhopal has been bestowed with the accolade of No.1 Rank in Bhopal by the Education World India School Rankings which is a testament to the institution's unyielding pursuit of academic excellence.**

I am absolutely elated to reiterate the extraordinary accomplishments of our students in the CBSE Class -X and XII Board Examinations 2022-23. In Class-X, our brilliant prodigies, Prakamya Siddh Balot and Saylee Deshpande have etched their names in the annals of academic excellence, securing an astounding 99.4% and standing proudly at AIR-4. In Class -XII, our illustrious scholar, Tanay Nigam, has achieved a remarkable 99% and an enviable AIR- 3.

The scholastic prowess of Dipsites transcended conventional boundaries, at prestigious gatherings such as CMS Lucknow and IIT Mumbai, where they gracefully partook in the Indian Debating League. Within the hallowed halls of the G20 Think competition, orchestrated with meticulous care by the Indian Navy, Chaitanya Ghosh and Navya Singh stood tall among the crème de la crème of Indian schools, securing positions of immense prestige. Krishna Agarwal's visionary proposition selected within the echelons of the top 50 innovations, Kaushiki Sharma's selection as the content creator for UNICEF India's Youth Program underscore the diverse and prodigious talents our students possess. The outstanding achievements of our students are not limited to national acclaim alone; they have consistently exhibited in competitions such as the Kala Utsav, Kshitij, Youth Parliament, Sanskaar Tech Fest, Interschool competitions, sporting achievements at Khelo India Youth Games, SGFI and Inter-DPS Football Tournament stand in grandeur alongside academic successes. With the inauguration of the HMG Sports Centre, Dipsites have been gifted with a splendid opportunity to exhibit their talents and refine their sporting prowess.

Being a Host to grand events such as MUN, AFS Regional Meet, and the DPS Football Tournament have served as a resounding testament to the remarkable evolution of Dipsites into well-rounded individuals who adeptly harmonize their academic pursuits with their co-scholastic endeavours. In attempting to encapsulate the saga of our remarkable success, words prove inadequate, yet our hearts surge with immense pride.

We have upheld our pledge to nurture students as the true emissaries of our school's ethos. Our commitment to cultivating global citizens remains resolute.

Warm Regards
